DETERMINED ABOUT QUALITY

For more than 30 years, MARU has been bringing smiles in every home, office and outdoors through products powered by the virtues of quality and perfection. With its In-House manufacturing set up, skilled and Experienced Team, and high quality material, MARU is now a household name.

Established in 1991, with a vision to manufacture Switches and electrical Accessories that make a difference in the life of All Consumers. Today we can satisfactorily claim that we live and continued to develop this vision every day. We have always put in all our efforts to bring to you the latest technology and innovation. By making comfort as accessible as possible, we intend to modernize lifestyle and provide experiences that can be cherished over time. Our customers have always been our priority and we promise to constantly deliver innovative and quality products.

MARU. More than Thirty years of proud performance and a promise to make your home a happy & safe place.
